"Excellence Through Opportunity"

Dear Parents and Friends,

Last week we proudly conducted an official opening for our new Indigenous Mural. Our Mural spans the length of our B-block building and faces our indigenous garden. The new mural, created by artist Neva Atkinson, adds to our suite of initiatives that ensure we have an inclusive community at Kyabram P-12 College.

Community is one of our values and we are proud of the fantastic community we have nurtured at Kyabram P-12. We work to instil this value in our students as we are aware of the enormous benefits of a strong community for our students. As students, the school they attend plays a significant role in their identity. Adults will regularly be asked by people who do not know them about what they do. This will give the questioner an opinion on that person. What they do will form a part of their identity to others, and often themselves. For students it is their school. To strangers, where they attend their classes will be one way in which they make assumptions about them, right or wrong.

Fortunately for our students they can proudly claim to belong to our Kyabram P-12 Community. By working to help all of those within our community, teachers, parents and students are not only helping others, but enhancing their own experience and reputation.

Thank you to everyone who has been living our value of community and working to make our college an even better place to learn and grow. I hope that everyone is very proud of the efforts of our students and that you have the opportunity to share this pride with members of the wider community, beyond the gates of Kyabram P-12 College.

Friday 22 nd November	Final Day Semester 2
Monday 25 th November	First Day Flying Start 2020 Years 8-12

I encourage parents to continue to provide guidance and support by familiarising themselves with your child's timetable and curriculum throughout the Flying Start Period. It is important to ask questions of our school staff, so you will be fully prepared for 2020.

Indigenous Mural Opening

On Friday the 8th November, I had the privilege of being part the official opening of our new indigenous art work; which included Neva Atkinson – Artist, Hon Peter Walsh MP and Uncle Rick Ronan. I would like to thank our KESO Wayne Cowley for the organisation of this special event and thank our students for attending. This is another example of Kyabram P-12 College working in partnership with the local Koorie community to create a learning environment for all students that acknowledges, respects and values Koorie cultures and identities.

HPV

Next Thursday 21st November we will send a team of 25 students who will represent our College in the HPV event in Maryborough. I would like to acknowledge the work and extra hours Lionel and his team have put into building 2 bikes and preparing 3 teams for the HPV event. This is a fantastic opportunity for our students to display their talents and to bring our school and community together and we wish all of our students good luck and hope all of their hard work pays off.

Great Victorian Bike Ride

In two weeks' time, Mr Fenaughty and I will be riding along the Great Ocean Road with a team of 6 students – Nic Jephson, Angus Scoble, Luke Turpin, Shaun Atkins, Jack Baker and Shane Arnold in this year's Great Vic Bike Ride event. There will be four days of riding, over 300 kilometres in total, with the first day consisting of a 96km' ride. Our team have been training hard and will complete the 50km event in the Tatura 200 Cycle Race this Saturday in preparation for the Great Vic Bike Ride.

Kyabram Sports Academy

Our College is very excited to announce that we will have a sports academy in 2020. The Kyabram P-12 College Sports Academy is a sports education and athlete development program aimed to assist students in the pursuit of achieving sporting and academic success.

The program is offered to students in Grade 5 to Year 12. The program will include specialist coaches, guest speakers, sport science services and individualised training programs.

Students will need to complete an application form which you can collect from Mr Mellington to become part of the sports academy program in 2020. If you require any further information, please contact Mr Mellington or myself at the College on 5851 2100.

For the audience this is a chance to see the breadth of the fabulous music program offered at our school, an opportunity for younger families to see the music lessons that exist and for older students to consider the options before they miss out on learning an instrument via the school system.
