TRAINING AND ASSESSMENT STRATEGIES POLICY AND PROCEDURE

Strategies for training and assessment meet the requirements of the relevant Training Package or accredited course and are developed in consultation with industry.

Process will be as follows:

By the end and beginning of each school year we will confer with the trainers and assessors for the respective courses to make any changes to the Training and Assessment Strategies, to ensure that they are relevant and current.

Trainers and Assessors will consult with industry to further develop the course to ensure industry relevance.

Any changes to the courses on scope regardless of timing, will automatically trigger the Training and Assessment Strategies to be updated up to reflect the changes by the time the changes are to be implemented.
