

FREE YEAR 7 INSTRUMENTAL MUSIC PROGRAM

Kyabram P -12 College offers a range of instrumental music tuition for all students regardless of ability or previous background. We will provide interested students with a free loan instrument for the duration of the program. The free program will run for the entire school year with the option to continue in the paid program next year. Any Year 7 student currently in the music program will also receive a place in the free program and any fees paid will be credited on account.

Briefly about our program

Students will attend a 30min lesson during regular classes once a week with one of our Instrumental Music Teachers. Students will be supported by having access to instruments and learning resources during this program. Students can supply their own instrument and have it serviced by the school or loan an instrument from the school free of charge.

What happens next

Once you have returned this form we will allocate a lesson time and instrument and begin lessons in the following week. If you have any further questions, please send an email to kim.morrison@education.vic.gov.au
